2021 USA CLASSIC

May 11, 2020

Dear Coach,

Your team has been mentioned to us by several college or professional scouts. We are looking for teams with a rich tradition in winning baseball who currently have players who are college or professionally bound. These scouts suggest that you may be interested in bringing your team to the Memphis area to compete in the 26th annual USA Classic. This tournament will include teams from states across the nation. It will be held **April 7th– 10th, 2021** (Wednesday – Saturday).

The tournament’s objective is to bring together the 16 most competitive teams and players possible to one location. This will allow the college and professional scouts a chance to see the best in the nation on one visit. It also gives each team a chance to play against the best possible competition. Last year most major league teams had a representative check in for the games.

Christian Brothers High School and USA Stadium are eager to co-host such an effort. The USA Stadium and complex has been the national training site for the U.S. Olympic baseball team. It has the most impressive playing surface and amenities available for a non-professional facility. It will be the highlight of any young player’s high school career. CBHS, recipient of the BCA’s 2002 National Field of the Year Award, also has one of the finest high school facilities you will see. USA Stadium now has upgraded both of their fields to artificial turf fields (stadium field is both infield and outfield turf, Field 2 is infield only).

The tournament format is very simple. Each team will be guaranteed four games. If you win, you will continue to the winner’s bracket. If you lose, your remaining games are in the loser’s bracket. Each team will have a final tournament finish (1st – 16th). The champion will go 4 – 0 in this single elimination tournament.

An entry fee of \$500.00 will be needed to secure your team a place in the tournament. This will be paid if your team is selected. Please complete the attached entry form/team information sheet and send it in by July 30th. All applicants will be screened, and the top 16 will be selected. This process will be completed by August 15th, 2020. The USA Classic will furnish umpires, game balls and trophies.

Once you have been selected for the tournament, we will send you information concerning tournament rules, etc., as well as lodging and maps. Expected rates are about \$60.00 per room.

Sincerely

Buster Kelso
CBHS Baseball Coach
